- Supported service drive operations including write-up flow, advisor execution, repair order communication, and appointment coordination.

EFD Logistics July 2023 - May 2025

Consultant / Account Manager | Shawnee, KS

- Rebuilt operations, CRM structure, and cash-flow process for a logistics business, turning fragmented activity into a trackable system.
- Managed \$1M+ AR/AP exposure and key customer accounts with focus on billing accuracy, collections, and issue resolution.
- Built HubSpot CRM and migrated 40+ customer accounts to improve pipeline visibility, account history, and follow-up discipline.

Truhome Solutions June 2021 - March 2023

Loan Officer | Lenexa, KS

- Originated conventional, QM, and Non-QM loans while managing borrower qualification, application flow, and compliance documentation.
- Handled the full application lifecycle with confidential financial documentation, customer follow-up, and production accountability.

Zillow Home Loans March 2019 - May 2021

Loan Officer | Overland Park, KS

- Developed referral networks and borrower pipeline while guiding customers from initial inquiry through closing.
- Achieved monthly sales targets through disciplined follow-up, clear expectation-setting, and borrower relationship management.
